ADOPTIONS

Dom has waited quite some time to officially become an Allman! Congratulations from the CHS Wheeling site to Zach, Morgan, Brody, Ruxin, and Dominic on your adoption day! Shout-out to Permanency Social Worker, Sara Kinsey, on another adoption finalization!

Children's Home Society of West Virginia's Summersville location wishes to congratulate Cody and Destini Crislip on their July 18 adoption in Nicholas County. Also, a special thank-you to Judge Steve Callaghan!

HOPE, LINE, & SINKER

Our good friend Rodney Cordell and the Charleston staff had a great bass tournament that raised over \$25,000 with sponsorships and in-kind contributions! Rodney is one of our Teamsters and he has been a long time champion for our kids.

AROUND THE STATE

Parkersburg's Summer Program has been out on the farm with Alpacas and learning about the importance of what it takes to be an EMT. We are grateful to be able to help provide these opportunities!

If you have a story you would like to see featured in By the Way, please contact David Humphreys at dhumphreys@childhswv.org

AROUND THE STATE (Cont'd.)

Congratulations to our Morgantown staff! Site Manager Abby Miller and her staff are happy to say that their first Bingo night raised over \$2,000, which is fabulous for a first time event!

It's Christmas In July in Parkersburg! Our kids are making Christmas ornaments that will be sent to the White House to decorate one of the 70 trees (all coming from WV) that will be displayed during Christmas.

It must be the month for art! in Martinsburg, our Monarch Family Support Center held one of their "parents night of learning" about child development and during that time, the kids made canvases about the things they value about themselves. Attendees also played games, and a fun time was had be all!
