### HONEY BEE FAMILY SUPPORT CENTER HOLDS OPEN HOUSE

Earlier this month, the Honey Bee Family Support Center in Jefferson County buzzed with excitement as we welcomed approximately 30 community members to our open house. Since opening last October, the positive impact the center made has resonated throughout the community, and the feedback we received last night was overwhelmingly affirming.

The open house event also sparked numerous promising connections, laying the foundation for future collaborations. We're thrilled to report that the evening was a resounding success, filled with supportive spirits and constructive conversations. Here's to many more milestones ahead!

### CHS AROUND THE STATE

Terri White gave a thorough talk about CHS' work with children and families at the Lewisburg Lions Club meeting. Thank you to the Lions Club for having us!

Children's Memorial Flag Day was observed at multiple locations. This national day of remembrance is set aside each year to remember those children who have died from violence and other preventable causes within their communities. Recognition ceremonies were also held to honor special child advocates.

## SPECIAL THANKS

Thank you to the volunteers at Jan's House who made snack packs for kids on Spring Break in Cabell, Mason and Wayne counties!

Also, thank you to Huntington Bank, who sponsored the bright green bags.

Summer may be on the way, but in a few months, we will certainly need this generous donation from our friend Cheryl who donated 30 winter coats to our Cabell Family Support Center. Thank you, Cheryl!

Thank you to everyone who visited Jersey Mike's on the Day of Giving! We are so grateful to the staff at Jersey Mike's in the Commons and at Spring Mills who always go a sub above to make a difference for CHS.
